

Race Track Nature Preserve *Why is it important for you?*

- Have zero impact on your taxes. It will be funded entirely by donations and government grants.
- A tangible legacy you can pass onto your children and grandchildren.
- Provide a beautiful serene place for your family's enjoyment.
- Offer educational opportunities.
- Positively impact our natural environment.
- Facilitate storm water management for the surrounding hills, roads and properties.
- Reinforce the structural integrity of Tuxedo Road and Clubhouse Road embankments.
- Improve the quality of our air and quality of the water that feeds into the Ramapo River, a source of drinking water for millions in New York and New Jersey.
- Provide Tuxedo Road with a stunning natural vista that epitomizes the picturesque lifestyle of our community.
- Help raise our real estate value.

Tuxedo Park Race Track Nature Preserve Dedication Ceremony

Saturday October 22, 3–5 pm at the Race Track

The Board of Trustees and Tree Advisory Board invite you and your family to celebrate the dedication of the Race Track as a community nature preserve.

This highly visible, but long neglected, basin will be transformed under the guidance of renowned natural landscape design firm, Larry Weaner Landscape Associates. An expansive meadow of colorful native flowers and grasses, surrounded by a healthy forest and featuring meandering footpaths will offer all-season enjoyment and educational opportunities as well as greatly benefit the ecological health of our Village. This multi-year project is funded entirely by private donations and government grants.

To RSVP or to get involved, please log onto [www.tptreeboard.org/contact us](http://www.tptreeboard.org/contact-us)

Oktoberfest-themed refreshments will be served

Parking will be directed by the police

A tour of the Race Track highlighting the existing flora and fauna will be led by the Tuxedo Park Garden Club

A message from the Friends of the Race Track Nature Preserve

Restoration work at the Race Track Nature Preserve is made possible by the generous donations of the Founding Stewards, residents who care about conserving the environmental health, biodiversity and rustic beauty of our Village to benefit generations to come. As of today, the following individuals and families have pledged their donations:

Anne and Mark Brennan
Michael Bruno
Susan and James Goodfellow
Christopher Gow
The Guinchard family
Chiu Yin and Gardiner Hempel

Peter Hempel and Maria Nunez
The Kilgore family
Carol and Ben Monderer
Dena M. Steele
Clara and Ted Wang
List in formation

The Race Track Nature Preserve is a tangible legacy you can pass to your children and grandchildren. The Founding Stewards will be acknowledged on a bronze plaque at the entrance to the Preserve.
